KleenMaster Ride-On Auto Scrubber AS 85BR

KleenMaster AS 85BR represents the latest technology in scrubber-driers. It is designed for simplicity of use, simplicity of maintenance and robust reliability. It features a 85 cm wide scrubbing path and a 102 cm suction width. It features large capacity tanks for long uninterrupted run times, 125 L solution and 132 L recovery tanks. A simple to operate control panel with one-touch auto cleaning and safety indicators makes the AS 85BR fun and easy to operate.

Control panel with all switches and indicators within easy reach and view. Only reliable

Key lock switch for safety and a easy reach rotary switch for multiple speed control.

Ergonomic seat which can be accessed from both sides makes working with the AS 85BR a pleasure.

Large battery compartment for large capacity batteries with wide and long life squeegee for extra long run times.

Powerful drive system with excellent line of sight allows for long and trouble-free operations.

Robust scrub brush work group with 'easy to mount' and 'easy to replace' brush mounting system.

Model	Power	Cleaning Width	Suction Width	Cleaning Capacity	Brush	Solution Tank	Recovery Tank	Total Weight
