KleenMaster AS 45E Auto Scrubber - Walk Behind

Comfortable Operating position with all controls placed within easy reach

Innovative 'Flip Head' brush unit for super easy operations and storage.

Brush Cover with anti bump castors on both sides

Fully Adjustable Squeegee to suit any all types of floors

AS 45E

KleenMaster 45E is a compact autoscrubber that is ultimate for ease of use and robust durability. Starting with a heavy duty brush motor with the reknown NP4 gear box, KleenMaster 45E is able to operate hours on end without any problems. The innovative 'Flip Head' design for the brush head combines both ease of operating position and a compact storage position. Large tank openings for both solution and waste tanks ensures easy filling as well as cleaning. KleenMaster 45E sits on a All Stainless Steel Chasis for extra robust durability. It has a ergonomic handle that is fully adjustable with all controls within easy reach.

KleenMaster 45E is definitely your best choice for a heavy duty cable autoscrubber that can outperform any comparable machines.

Large Tank Openings for Easy Filling and Cleaning

At Storage Position, the machine use little space

Full Stainless Steel Chasis for extra Robust Durability

Ergonomic Handle that is fully Adjustable
